

February 2018

Australian Schools Competition 2018.

Dear Parents/Caregivers,

Welcome to the 2018 Schools Competition.

The Competition provides an opportunity for all students to gain a measure of their own achievement in an external assessment situation. It provides school and teachers with comprehensive reporting of results and also gives parents helpful information regarding their child's performance.

The competition takes place each year in schools throughout Australia, New Zealand and Pacific region and your child is invited to participate.

All students receive a certificate and an Individual Result letter indicating which questions they answered correctly, as well as the average mark for the state.

Competitions are open to years 3, 4, 5 and 6.

This year the English and Mathematics and Science competitions are also open to Year 2.

Year 5 students who are planning to sit the Selective Test for a place in a Selective High School in 2020 are required to sit the English, Writing and Maths competition this year. The results form part of the School's assessment which is sent to the High Performance Unit at the end of year 5.

This year, the tests will be administered before school. We ask that the students are to be at school by 7:50am for an 8am start. This will prevent students from missing a large amount of learning time in order to complete these assessments.

Please return the tear off permission slip and entry fee by Friday 23rd March 2018 to the office mailbox.

***Irrespective of the closing date of individual competitions, as determined by the University of NSW, No late entries after Friday 23rd March, 2018 be will be accepted under any circumstances.**

Please note that the school will not administer tests which are entered by individual students online.

Yours sincerely,
Chloe Dreyer
Competition Co-ordinator

Dural Public School – Australian Schools Competition 2018

Please tear off and return to the office mailbox. Last day for payment Friday 23rd March, 2018
