Principal's Report ~ Milly Stone Congratulations to the Leadership Team for 2018

I would like to congratulate the following students for being selected for the leadership team of 2018. Blair Mc, Isaac H, Cooper A, Fynn H, Amelia H, Paris GD, Millie H, Elise M, Melia B, Rachel C. The captains and vice-captains will be announced at our annual presentation assembly.

Changes to the bus timetable

Please check pages 5 and 6 of the school newsletter for a copy of the new bus timetable and then please discuss these changes with your child/children.

Swimming School Program

This begins on Monday. We still have vacancies. If you would like your child to attend, please contact the front office tomorrow.

Surf Education Program

This most important education program was held today. As you can see by the photo, all the children are engaged and enjoying learning vital water safety skills that they need to know when near the water.

Performing Arts Night Concert ~ Monday 27 November

Every year, Dural Public School holds a Performing Arts night to showcase many of the amazing concerts that the children have been involved with throughout the year. This is a wonderful concert for the whole family and tickets will go on sale tomorrow morning (Friday) at the office. The cost of the tickets for the night is \$15 for a family, \$5 for a single ticket and children under 5 are free.

Presentation Assembly

Parents will receive an email next week to indicate that their child will be receiving an award at the presentation assembly. The reason we inform parents is that the assembly is held during the day and parents may need to take time off work. At our presentation assembly, we expect full attendance by all students whether they are receiving an award or not. This is our opportunity for all children to be congratulated on their outstanding work throughout the year and it is a celebration of learning.

Lego Robotics Challenge

On Thursday 9th November our senior robotics team consisting of students aged 10 - 12 competed in the First Lego League challenge.

We competed in the FLL robotics challenge because we thought it would be fun applying robotics with Lego. Our team consisted of 8 members: Brandyn, Kalan, Alex, Elijah, Kerry, Sravan, Andrew and Zac. Our coaches were Mr Pye, Miss Ridley and Mrs Ellis. We competed against other teams at Baulkham Hills North Public School. There were three key areas: the robot game, core values (teamwork skills) and the project. Our project was about telemetry, or "smart meters." We were the first team to present our project. We used our learning dispositions as during the REDS (Robot Executive Design Summary) the brain stopped working! Luckily we had brought a spare brain so we could compete in the robot game. We had a problem in the first round when the colour sensors stopped working but it was fixed afterwards. Each team member had a turn at the robot game, trying to earn as many points for our team as we could. Overall we came 2nd in the robot game. We also won the Robot Mechanical Design Award for the robot with the best base!

Is your child in Year 5?

Do they eat, breathe and sleep sport 24/7?

Do they have leadership aspirations and qualities?

Are they gracious in victory as well as defeat on the sporting field?

Are they confident to speak at school assemblies?

Are they a sporting role model for their peers and the younger years?

Do they consistently model exceptional sporting behaviour and ideals?

Are they willing to assist at carnivals and sports events?

If so, you need to ask them.....

DO YOU WANT TO BE A HOUSE CAPTAIN?

If the answer is YES to all of the above questions; then your child should nominate to be a Sport Captain in 2017.

All interested year 5 students need to see Mr Field as soon as possible to nominate themselves for House Sport Captain.

Nominations close 3:20pm Friday 17th November.

No further nominations will be accepted after this date.

Eligibility Criteria:

- Must be a Dural Public School Year 6 student in 2018
- Cannot be in the Leadership Team in 2018

Voting is open to all students from K-6 and will be held throughout the school from 10:40-11:20am on Tuesday 21st November. Voting is done within sport houses.

The top 4 in each house will be announced shortly afterwards, but students will not be told if they are a Captain or Vice-Captain until it is formally announced at the School Presentation Day Assembly.

Students will need to prepare and deliver a 1-2 minute speech to their House on why they should be a House Captain in 2018.

Thank You,

Mr Justin Field,

Sports Coordinator

Information regarding new kindergarten enrolments

Dear Parents,
If you have a child starting school next year at Dural, you are allowed to send your children to OOSH vacation care in the January period.

This is a great way for your children to get together for a play date before school starts in 2018. We will be having a special kindy day in January for all new enrolments to have some fun at OOSH. Whilst your Kindy children can come to vacation care at the centre, they are unable to go on excursions until the following vacation care. This is a safety measure for your children.

If you require this service, please note that you must register at the centre beforehand and fill out enrolment forms, which are available at the centre.

At Kindy Orientation, we will also be handing them out to make it even easier for you along with a little information pack about Jigsaw OOSH.

The centre email address is dural@jigsawoosh.com.au and our phone number is 9653 9331.

Please feel free to come and meet with us at any time.
