## **Becroft Awards for Zone Achievement (BAZA) 2017**

Yesterday the best PSSA athletes from Becroft Zone were awarded for their outstanding success in 2017.

To get a BAZA you must have represented at the highest level possible, or won a state relay, or won a PSSA state knock-out, or won a PSSA State Carnival or were selected to represent Becroft Zone in 4 or more sports in 2017.

The majority of the students awarded will be competing at the Pacific School Games in Adelaide next week, where there are several national events happening. Some students had already competed at their nationals and some were already national champion in their respective sports.

Dural's Jazmyn H was awarded a BAZA for being part of the Sydney North PSSA Touch Football Team who won the NSWPSA State Touch Football Carnival. Jazmyn has represented Dural with pride and thoroughly deserves Becroft Zone's most prestigious award. Well done Jazmyn. Keep up the enthusiasm for sport.

The afternoon was made extra special for Dural Public School by former student Imogen Florian who was one of the guest speakers. Imogen detailed the highs and lows of her trampolining journey from starting trampolining as an 8 year old to winning bronze for Australia as a 12 year old to multiple national representations by the age of 16.

# The Arts

What a truly spectacular night it was for the Dural Public School community. On the 27<sup>th</sup> of November Dural Public School held their annual Performing Arts Night. The stage was brilliantly lit up with smiles and performances from the school choirs, drama group, dance group, bands and Wakakirri group.

The students work hard throughout the year and enjoyed showcasing their efforts in front of such an enthusiastic and encouraging crowd of parents and guests this year. We are so lucky to have wonderful teachers at Dural Public School who are able to pass on their talents and love of the Arts to our beautiful students.

Well done Dural Public School and thank you parents and guests for your ongoing support.

Not only are you helping out the school - It's a great way to meet new people, or catch up with a few friends. The children absolutely love having a family member helping out! It doesn't have to be 'Mum' - Dads, Grandparents and even Aunties are very welcome! Watch out for the note!

*Trudi*

The children have had a very busy month of craft at OOSH. As soon as they come into after school care, a few of them always ask "what are we making this afternoon?" then rush over to the craft table to check it out! I try to find activities and craft that is related to something they are interested in. This month we have been doing a lot of collage - starting with paddle pop sticks, then adding extra materials - cottonwool balls, foam shapes, feathers, cellophane, etc. The children then made a wall art of a rainbow using all these things. While they were making this, Ryan came up with the idea of making 'a pot of gold' as well so it would complete the artwork. Both the rainbow and the pot of gold now adorn our OOSH wall proudly.

Other craft that we have done is to make snakes by cutting in a spiral shape and then painting them with sponges. The idea for this activity came from a piece of snake skin that Marcus brought in to show everyone.

We have also had fun with puffy paint (made from glue, shaving foam and food colour), playdough, as well as making paper planes, Loom Band bracelets & necklaces and lots of colouring in! Next month we will be doing some Christmas craft which the children are looking forward to 😊

## CANTEEN VOLUNTEER FORM 2018

The Canteen provides a vital service to not only the children and the parents of Dural Public School, but also provides funds for the school to help with the purchase of teaching aids etc. We have a very busy canteen, which cannot operate without the valued support of parents, grandparents, family and friends who volunteer. We offer you lunch and an endless supply of tea, coffee and conversation. This is a great way of meeting other new families to the school and the students really enjoy seeing their loved ones help out in the canteen.

The canteen can only run with the help of our wonderful volunteers, without which, the canteen would have to close. If each family of Dural Public School volunteered once, you would only have to be rostered on ONCE per year.

We look forward to welcoming new and returning volunteers!
