## Principal's Report ~ Milly Stone

This has truly been an amazing week with all the children returning to school. There is such excitement with the children seeing their teacher, their friends and returning to a school routine. School is such an amazing place with the children and we have certainly missed them. I would like to once again, thank the parents for all their hard work with supervising and ensuring that the remote learning was being completed at home. This was not an easy task and parents, you did a wonderful job. I read a sign the other day that said, "Tag teachers it is now your turn".

### Canteen

The canteen will operate this Friday. We are also very pleased to announce that the canteen will resume operating three days a week, starting next week, Monday 1 June.

### School Bands

It was so good to see the children at Beginner Band and Senior Concert band rehearsals this week. Great to see that children had still been practising while at home. Well done Dural.

### Semester 1 Reports

Staff are working hard to finalise the new report format for this semester. Reports will be emailed home in Week 10 of this term.

### Toys

It is important that children do not bring toys from home in this current climate. We are being very cautious and we thank you for supporting us in this matter.

### Illness

If your child/children show any cold like symptoms, please keep them at home. It may be advisable to check with your doctor before your child/children return to school. If children become unwell throughout the day we are required to send them home.

## CANTEEN

Exciting news that the Canteen is resuming normal days of service as of next week! Flexischools is now active and online for Monday, Wednesday and Fridays.

Thank you to those who have supported the Canteen's gradual return and adaption of social distancing regulations.

As a reminder, now we are back in full swing, don't forget about our popular Birthday Buckets if your child is celebrating one this term! The cold weather doesn't seem to be a deterrent for ice blocks! We now also have in stock a new butter chicken and rice meal which is delicious.

Volunteers for the coming week are:

Friday 29/05 – Diem Moussa & Maria Giuffre

Monday 01/06 – Lee Cherry

Wednesday 03/06 – Clancy

Cotterill-Smith

Friday 05/06 – Narelle Dearden

Enjoy your weekend,
