A Where to Guide for when you can't go anywhere

I have attached this document with the newsletter. It has numerous resources and activities that you can participate in both online and offline from home. Some of the activities sound inspirational and fun and they are for the whole family. Perhaps there are some ideas that you have not thought of. Hope you have fun.

Respect, Responsibility, Success

We are almost through this! There is light at the end of the tunnel. We are almost at the end of Term 3 but knowing that in week 4 term 4 we are going to be able to see your smiling faces again makes us so happy! We can't wait to have everyone back at OOSH again.

In regards to Vacation Care, we will still be open for essential families but we do encourage families to keep children at home if able. If you need anything please call us on 0477 720 237. Thank you 😊

Kind Regards,
Rachel Foad

RUGBY 7S

By Joey Gilbert

I am really looking forward to the Rugby 7s because it's one of my favourite sports. There is also a lot more space on the field to step people and best of all make a brilliant try saving tackle or score an amazing try. It's also a much quicker game than 15s because there are hardly any breakdowns. I also love it because of how fun it is. I've scored plenty of tries before and it is the best feeling in the world (other than winning the comp). That is why I am so looking forward to the rugby 7s starting.

Hush visited many different places in Australia, trying many kinds of food to help her turn visible again. Imagine if Hush visited your house! What food would you give her and why?

When Grandma Pass and Hush stepped through the front door they could smell freshly baked dough Nuts. Their eyes were stuck on the dough Nuts, walking very slowly they stretched their arms out and gobbled the dough Nuts.

Grandma Pass and Hush had never tasted anything like this. I want another one!

Draw a picture of Hush trying food at your house!

Lourdes

writing

After you have watched the Menacule episode, write the story from the perspective of the ladybug. You will need to use the words I, my and me to write from the ladybug's point of view.

I was sitting on a flower when a spider appeared. I was so scared that I flew and broke the spiders web! Hah that's what he gets! I flew away. Then I saw a bunch of flies, I flew as fast as I could and broke the spiders web again haha! Then the flies fell on the ground. Then I saw a dumpster of a fly army! Oh no. I flew my little wings and broke the whole spider web. But I managed to escape from the spiders and flies. PHEW!
