

RE: REQUEST FOR DONATION FOR LOCAL SCHOOL FUNDRAISER

Dural Public School is currently organising their Dural Country Fair, to be hosted within the school grounds on Sunday 20th October, 2019. The aim of hosting the Dural Country Fair is to raise valuable funds which will enable the purchase of new tiered seating for our oval to allow children, parents and visitors to sit in comfort and watch our sporting carnivals and events throughout the year.

Should there be excess funds we would like to increase the number of lap tops for our Stage 2 children in Years 3 and 4.

The Dural Country Fair is held only every 2 years and is the main source of funding for school improvements. At the last Fair over \$30,000 was raised and enabled the purchase of a new internal sound system for our 100 year old school. We would love to emulate that success again and are requesting donations and sponsorship from local businesses and sporting groups to achieve this goal for our school.

As a local business, our school families visit and love, we were hoping you would be kind enough to make a donation or even consider sponsoring our wonderful School Fair. We are seeking gift vouchers and items that can be used as prizes as well as goods and products that can be utilised within our class stalls. Any contribution is welcomed and your support, greatly appreciated.

Thousands of guests attend our Country Fair. Your business would be exposed to all those present, and as an added incentive we would happily display colour advertising material of your business and services at this event. You would also feature in our school newsletter which is distributed to over 350 families and will have your business listed on the school website. (Specific sponsorship benefits are outlined in the sponsorship proposal on the school website, or please email on the address below for a sponsorship package).

Dural Public School encourages a strong community following and we hope you are able to help us in our quest to better our school for our children. We thank you for taking the time to read our correspondence and consider our request for a donation for our Dural Country Fair.

If you have any questions please feel free to contact us via duralcountryfair@gmail.com or the school office on 9651 1164. We request that all donations be finalised by September 30th, 2019.

We look forward to hearing from you in the near future.

Yours sincerely

Cara Miceli
