

Year 1 Excursion
Powerhouse Museum
Tuesday 5th November 2019

Dear Parent /Caregivers,

On **Tuesday 5th November**, Year 1 students will be going on an excursion to the Powerhouse Museum to participate in the educator led program, Sound, Light and Colour. This learning experience will enhance our learning in Science unit this term on Light and Sound

Students will be involved in a variety of activities where they will experiment with sound, light and colour! Learners will use a voice vocaliser to make visual patterns with sound, to show that sounds are simply vibrations, and discover that white light is made up of the colours of the rainbow. Working in teams, learners will also visit the monochromatic room to study what the world looks like in just one colour. To top it off, every learner creates and takes home a 'sound sandwich', which makes sounds using a vibrating rubber band!

The Bus will be leaving school at 8:45am and will arrive back at school by 3pm.

Children will need to be at school at 8:40am ready to board the bus. Please meet under the bus shelter outside the office

Children will need to bring lunch, recess and a drink in an excursion bag. Children are to wear their sports uniform on the day, wear sunscreen and must bring a hat.

Cost of the excursion has been included in the term 4 invoice. Please return the permission note with your term invoice payment to the office. We look forward to a great excursion.

Kind Regards

Year 1 Teachers
