Dear Parents/Caregivers

Thank you for your support of our school in managing remote learning during the current COVID-19 situation. This is such an unknown world for all of us in education, but together we are strong.

Our school teaching day begins at 9.20am. Lessons and instruction for the days' work will become available for all students at 9.20am. not prior. Please remember that the children need to have work breaks as we do at school. Our breaks at school include:

- 10.15am – 10:25am Crunch and Sip
- 11:20am - 11:40am Recess
- 1:05pm – 2:00pm Lunch
- 3:20pm School ends

This is just a guide but it helps you to understand what a day at school looks like for your child.

Children should complete their work every day. If students are unable to finish their work in the set time, please feel free to complete the work when you can at a time that best suits your child and your family situation. If all work is finished before the end of the school day, students are encouraged to read a book or do additional research to help support their learning and interests.

At Dural Public School we are now implementing a daily staff roster as teachers need to be able to work from home.

Staff are very happy to take any questions between 8.50am and 3.50pm. As you can appreciate, before and after this time, our hard working and dedicated teachers are preparing lessons for the next day and marking work.

As always, I will be keeping you updated with information as it comes to hand. From all the staff at Dural Public School, thank you for your ongoing support.
