Dear Parents/Caregivers

It was great to see so many come into the school today and pick up their packages. We will continue to provide remote learning from tomorrow and for Week 1 and 2 of Term 2. As stated by the NSW Department of Education, schools are open for families who need it but families are encouraged to keep their children at home wherever possible.

In Week 3, May 11, we will commence the phased return of classes so that they can have a day of face to face teaching with their class teacher. The program for Week 3 is below.

Monday	Tuesday	Wednesday	Thursday
5B and 6H	5D and 5L	6A and 6S	3A and 3R
KC and KN	1H and 1P	2C and 2M	4F and 4S

On the allocated day children will be taught by their class teacher; remote learning will not be available for those classes.

When children return to school we ask that they have a drink bottle for water, clearly labelled, as we do not want them to drink from the bubblers. They will be able to refill their own water bottles.

It is very important that children bring their own hand sanitiser for their own personal use. We do have limited amounts at school, however I do understand that some children may react to certain brands.

Term 2 is full winter school uniform. This term they will still have physical education activities and are able to wear their sports uniform on Wednesday and Friday.

We will be updating regularly as the situation unfolds, please check the school website, school app, ClassDojo and your emails to stay up to date with what is happening at Dural Public School.

Thank you for your ongoing support in this matter

Kind Regards

Milly Stone
