## Term 2 Morning Drop Off and Afternoon Collection Routine

Dear parents and caregivers,

As previously announced by the Premier and Minister for Education, a phased operating model for our NSW schools during the COVID-19 outbreak will allow a managed return to school. This model will see students attending school one day a week commencing Week 3 –Monday 11<sup>th</sup> May. The plan is phased and flexible and will allow Dural Public School to slowly bring our school back to normal while balancing the health, learning and wellbeing needs of students, staff and our community.

### Week 3 Managed Return Back to School

Monday	Tuesday	Wednesday	Thursday
KC and KN 5B and 6H	1H and 1P 5L and 5D	6A and 6D 2M and 2C	3R and 3A 4S and 4F

Students of essential workers are still able to attend school every day.

On these allocated days that students attend school online learning will not be provided. If you choose to keep your child at home on their allocated day at school they can catch up on previous days learning. On days that are not student's allocated days, online learning will continue at home and at school.
