## LOW LITTER LUNCH

**“A Low Litter Lunch is one that creates little or no non-recyclable waste making it environmentally friendly.”**

One of the aims of Brewongle EEC is to develop and maintain an understanding of our survival as people and our effect on future generations. We also aim to enable people to better understand how they can make a change for the better. We seek your help in supporting your child's learning and the future of our planet by bringing a Low Litter Lunch to Brewongle and hopefully continuing this on normal school days too.

### A LOW LITTER LUNCH HAS:

**Sandwiches/Roll/Wrap**  
wrapped in greaseproof paper – (mulchable)

**Drink** in a re-usable or recyclable plastic bottle.

**Fruit** – (mulchable)

All Packed in a **Re-usable Lunch Box**  
or a **Recyclable Paper Bag**.

**These add up to A HEALTHIER YOU, A HEALTHIER EARTH AND LESS COST!**

To reduce the amount of rubbish on your visit we ask that students try not to bring the following :

- Pre Packed, portion controlled packets (eg. chips, cheese and bikkie combo's)
- Lollies in individual wrappers.
- Drinks in throw away cartons (poppers) with straws.  
(Those rectangular boxes create 3 pieces of rubbish each)
