

# K-2 Easter Hats

Dear K-2 Families,  
K-2 students are excited to announce that we will be holding an Easter Parade Thursday 9<sup>th</sup> April (more details closer to the date.)

As part of the Term 1 Visual Arts program children will be making hats in their art lessons with Miss C.

To help with decorating our hats we ask if students can bring in some Easter craft materials to share with the rest of their class.

Some suggestions include but not limited to:

- fluffy chickens
- feathers
- foam shapes
- pom poms
- anything you find that would make our hats sensational
- foam eggs
- colourful/pattern paper
- sequins/gemstones

Please bring your items in to your class teacher where they will store them in a class box for class art time.

We look forward to our Easter fun and decorating our hats.

Kind Regards  
Jodie Norrish  
Assistant Principal
