

## Year 2 Excursion Monday 7<sup>th</sup> September 2020

### Brewongle Environmental Education Centre

Dear Parents,

On Monday 7<sup>th</sup> September 2020, Year 2 will be going on an excursion to **Brewongle Field Studies Centre**. This excursion has been planned to complement our Geography unit. Throughout the excursion students will be involved in activities which focus on nature and its importance, both to people and to wildlife. Students will explore the features of places around the Habitat Tree and the connections between the tree and its surrounds. They use Geographical Tools to understand the impact that seasons and people have on the natural environment around the Habitat Tree.

The coach will be leaving school at **8:30am** sharp as we need to be at the centre ready to start at 9:30am We will arrive back at school by 3pm.

**Children will need to be at school at 8:15am ready to board the coach. Please meet under the bus shelter outside the office.**

Please pack morning tea, lunch and drink in an excursion bag

Children are to wear their sports uniform on the day, have sunscreen already applied and bring their school hat.

Cost of the excursion has been included in the term 3 invoice. As we are on a strict timetable for this excursion we are unable to wait for any late children.

We look forward to a great excursion.

Kind Regards

Year 2 Teachers

---

### Permission Note – Brewongle Environmental Education Centre

I give permission for my child \_\_\_\_\_ of  
class \_\_\_\_\_ to attend the excursion to Brewongle Education Centre on Monday 7<sup>th</sup>  
September 2020. I understand travel will be by coach.

Signed \_\_\_\_\_ Date \_\_\_\_\_

(Parent/Caregiver)

# LOW LITTER LUNCH

“A Low Litter Lunch is one that creates little or no non-recyclable waste making it environmentally friendly.”

One of the aims of Brewongle EEC is to develop and maintain an understanding of our survival as people and our effect on future generations. We also aim to enable people to better understand how they can make a change for the better. We seek your help in supporting your child's learning and the future of our planet by bringing a Low Litter Lunch to Brewongle and hopefully continuing this on normal school days too.

## A LOW LITTER LUNCH HAS:

**Sandwiches/Roll/Wrap**  
wrapped in greaseproof paper – (mulchable)

**Drink** in a re-usable or recyclable plastic bottle.

**Fruit** – (mulchable)

All Packed in a **Re-usable Lunch Box**  
or a **Recyclable Paper Bag**.

**These add up to A HEALTHIER YOU, A HEALTHIER EARTH AND LESS COST!**

To reduce the amount of rubbish on your visit we ask that students try not to bring the following :

- Pre Packed, portion controlled packets  
(eg. chips, cheese and bikkie combo's)
- Lollies in individual wrappers.
- Drinks in throw away cartons (poppers) with straws.  
(Those rectangular boxes create 3 pieces of rubbish each)
