

## **Burn Bright: Leadership Program for Year 5**

Dear Parents,

In order to prepare our Year 5 students for Year 6, specifically the many leadership positions that our students will be offered next year: including Captains, Prefects, House Captains, Peer Support Leaders and Library Monitors we have organised a Leadership Program run by a company called Burn Bright.

### **More about Burning Bright and their Leadership Program:**

#### **The Outcomes:**

- Recognise leadership is influence and that everyone has influence
- Understand that relationships are key to influence
- Have a foundation of values to base leadership decisions on
- Identify the importance of servant leadership
- Use and identify skills to apply servant leadership outside of the classroom
- Develop resilience in leadership and use strategies to be resilient

Burn Bright lives and breathes leadership and continues to explore what true leadership looks like on a daily basis. Their leadership programs find their foundations in having positive relationships to be able to lead purposefully and constructively. Their programs start with an aim of understanding that to be able to lead a young person must also learn to lead themselves.

Session 1: Starting our leadership journey.

Session 2: Expanding our super leadership abilities.

Session 3: Putting our leadership into action.
