

Kindergarten Excursion

Field of Mars Field Study Centre

Monday 21st September 2020

Dear Parent /Caregivers,

On **Monday 21st September**, Kindergarten will be going on an excursion to

Field of Mars Field Study Centre Ryde to participate in the “Teddy Bear’s Picnic” program. This excursion supports our learning in Geography and Science. Throughout the day students will investigate the features of the Field of Mars Reserve. This excursion focuses on the needs of living things - air, water, shelter and food. Kindergarten students and their teddies participate in a number of activities including an earth walk, habitat games, story time and an amazing picnic in the bush.

The coach will be leaving school at **8:45am**. We will arrive back at school by 3pm.

Children will need to be at school at 8:30am ready to board the coach. Please meet under the bus shelter outside the office.

Please pack morning tea, lunch and drink in an excursion bag

Children are to wear their sports uniform on the day, have sunscreen already applied and bring their school hat.

Cost of the excursion has been included in the term 3 invoice. As we are on a strict timetable for this excursion we are unable to wait for any late children.

We look forward to a great excursion.

Kind Regards

Kindergarten Teachers

***Please return slip and keep note for excursion details.**
